Beautiful (With Wayne Brady)

Jim Brickman

From the moment I saw you,
from the moment I looked into your eyes,
there was something about you, I knew.
I knew, that you were once in a lifetime,
a treasure near impossible to find,
and I know how lucky I am to have you.Cause I've seen rainbows that could take your breath away,
the beauty of the setting sun that ends a perfect day.
And when it comes to shooting stars, I've seen a few
but I've never seen anything as beautiful as you.
Holding you in my arms
no one else has fit so perfectly.
I could dance forever with you, with you.
And at the stroke of midnight
please forgive me if I can't let go,
'cause I never dreamed I'd find a Cinderella of my own.Cause I've seen rainbows that could take your breath away,
the beauty of the setting sun that ends a perfect day.
And when it comes to shooting stars, I've seen a few
but I've never seen anything as beautiful as you.
repeats:
Cause I've seen rainbows that could take your breath away,
the beauty of the setting sun that ends a perfect day.
And when it comes to shooting stars, I've seen a few
but I've never seen anything... Oh, Oh, Oh
No, I've never seen anything... as beautiful as you.From the moment I saw you,
from the moment I looked into your eyes...
