

# Beautiful (With Wayne Brady)

**Jim Brickman**

From the moment I saw you,  
from the moment I looked into your eyes,  
there was something about you, I knew.  
I knew, that you were once in a lifetime,  
a treasure near impossible to find,  
and I know how lucky I am to have you. Cause I've seen rainbows that could take your breath away,  
the beauty of the setting sun that ends a perfect day.  
And when it comes to shooting stars, I've seen a few  
but I've never seen anything as beautiful as you.  
Holding you in my arms  
no one else has fit so perfectly.  
I could dance forever with you, with you.  
And at the stroke of midnight  
please forgive me if I can't let go,  
'cause I never dreamed I'd find a Cinderella of my own. Cause I've seen rainbows that could take your breath  
away,  
the beauty of the setting sun that ends a perfect day.  
And when it comes to shooting stars, I've seen a few  
but I've never seen anything as beautiful as you.  
repeats:  
Cause I've seen rainbows that could take your breath away,  
the beauty of the setting sun that ends a perfect day.  
And when it comes to shooting stars, I've seen a few  
but I've never seen anything... Oh, Oh, Oh  
No, I've never seen anything... as beautiful as you. From the moment I saw you,  
from the moment I looked into your eyes...
