

# Somebody to Love (Live in Alexa Chung)

## Leighton Meester

Paris, France to Michigan  
London town and through Berlin  
I can't believe this place I'm in  
Everywhere and back again  
Porcelain and China dolls  
Give me one and I've seen them all  
Got my back against the wall  
Wonder where I'll be tomorrow? But wait, now how long could this take?  
It's hard to find a mate,  
When you're gone before he wakes.  
They say it's hard to achieve  
But can't a girl believe? Is there somebody who still believes in love?  
I know you're out there  
There's got to be somebody  
I search around the world  
But I can't seem to find  
Somebody to love Baby girl, there you at  
Looking at me like a putty cat  
Wondering where that thing is at  
Wondering where your ring is at  
Nobody ever did it quite like this  
Nobody ever did it quite like you  
Do your hair, I bought you shoes  
We can hit the town like superstars do  
You fall in love? Then let me show you love  
Give me the key to your heart  
I can give you what you want  
When you're waiting for love  
And you're lookin' for someone  
I'm a turn this gossip girl into a woman Is there somebody who still believes in love?  
I know you're out there  
There's got to be somebody  
I search around the world  
But I can't seem to find  
Somebody to love Is there somebody who still believes in love?  
I know you're out there  
There's got to be somebody  
I search around the world  
But I can't seem to find

Somebody to love Je t'adore, Je t'adore (I love you, I love you)  
Make a move, do the thing  
Turn around, strike a pose  
Je t'adore, Je t'adore (I love you, I love you)  
Make a move, do the thing  
Turn around, strike a pose  
Ooh, I like it  
Ooh, I need it  
Ooh, I want it  
Hey Hey I know it's hard to achieve  
But can't a girl believe? Is there somebody who still believes in love?  
I know you're out there  
There's got to be somebody  
I search around the world  
But I can't seem to find  
Somebody to love Is there somebody who still believes in love?  
I know you're out there  
There's got to be somebody  
I search around the world  
But I can't seem to find  
Somebody to love (You say hello, I say goodbye)  
(You say hello, I say goodbye)  
Somebody to love
