

Corcovado (Quiet Nights Of Quiet Stars)

[Astrud Gilberto, Tom Jobim, João Gilberto e Stan Getz](#)

Quiet nights of quiet stars, quiet chords from my guitar
Floating in the silence that surrounds us
Quiet thoughts and quiet dreams, quiet walks by quiet streams, and a window
looking on the mountains and the sea.
How lovely! this is where i want to be.
Here, with you so close to me, untill the final flicker of lifes ember.
I who was lost and lonely, believing life was only
A bitter tragic joke, have found with you
The meaning of existence oh, my love.
