Mambo Baby

Ruth Brown and her Rhythm Makers

All my baby wants to do is the mambo
All my baby wants to do is the mambo

Morning, noon and night time too
Itâ€™s the mambo

He goes mambo rhythms, effects all the time
He goes mambo rhythms, effects all the time
â€™Cause that mambo rhythm feels so fine

Heâ€™s neglecting our romance
For the mambo
Heâ€™s neglecting our romance
For the mambo
He just loves that crazy dance
Called the mambo

Mambo baby, mambo baby
Oh, mambo baby I love you so
But me or that mambo has got to go

The only thing heâ€™s thinking of
Is the mambo
When we should be making love
Itâ€™s the mambo
But me or that mambo has got to go
