

I Breathe You In, God

Bryan & Katie Torwalt

The presence of the living God
Satisfies the depths of my heart
All of me changed when you came
I'm made free by Your glory and grace I breathe You in, God, 'cause You are thick around me
I breathe You in, God, 'cause You are thick all around me
You are good, God, for You are good to me
You are good, God, for You are good to me The brightness of Your love's pure light
Pierces through the darkest of nights
Everything is possible now
For God is here and God is good When I don't understand, I'll choose You
When I don't understand, I will choose You, God
When I don't understand, I will choose to love You, God
