All Grown Up

Johnny Horton

Hey daddy, hey daddy I'm all grown upStanding at your door just like I done before
You've changed so strange you're all grown upYou wear those heels and hose dressed up in your mama's clothes
You're hip, I'm whipped, your all grown upWhen I'm walking talking to ya all the time
Makes me wet all over honey so glad your mineWhen you feel my touch by loving you too much
You're right, so nice, you're all grown up
Hey daddy, hey daddy I'm all grown upYou threw away those candy bars started gazing at the stars
Brand new that's you you're all grown upWhen your lips so fine start closing in on mine
More thrills, more chills you're all grown up
When I'm walking talking to ya all the time
Makes me wet all over honey so glad your mineWhen you feel my touch by loving you too much
You're right, so nice, you're all grown upHey daddy, hey daddy I'm all grown up
