

# The Remedy

## Puscifer

Our home, our rules, respect them or

Bitches receive stitches

Trolls receive 86's Stick around if your house broken

Can't hold your shit, hold your tongue, you gotta go

Should you choose to react like an imbecile

You'll in turn be treated so Yes, we're being condescending

Yes, that means we're talking down to you

With all that racket from your lips a-flapping

We assumed you didn't notice Haters, isolators, no one misses these

Bitches receive stitches

Trolls receive 86's Yes, we're being condescending

Yes, that means we're talking down to you

With all that racket from your lips a-flapping

We assumed you didn't notice Haters, isolators, no one misses these

Bitches receive stitches

Trolls receive 86's You speak like someone who has never been smacked in the fucking mouth

That's ok; we have the remedy

You speak like someone who has never been knocked the fuck on out

But we have your remedy You speak like someone who has never been smacked in the fucking mouth

That's ok; we have the remedy

You speak like someone who has never been knocked the fuck on out

But we have your remedy
