

Twisted

Carrie Underwood

Baby, you're a wreckin ball crashin into me
Nothin I can do but fall piece by piece
You broke down every part of me
That ever thought Id never need you, baby It's twisted, messed up and the more I think about it
It's crazy but so what? I may never understand it
I'm caught up and I'm hangin on
I wanna love you even if it's wrong Everybody's tellin me I'm over my head
But they don't feel you're lovin' me
They all say that I've gone crazy
Maybe, but it's too late now to save me, I'm too tangled It's twisted, messed up and the more I think about it
It's crazy but so what? I may never understand it
I'm caught up and I'm hangin on
I wanna love you even if it's wrong Even if it's twisted, yeah
Maybe it's not right but that's alright
Yeah, it's alright tonight It's twisted, messed up and the more I think about it
It's crazy but so what? I may never understand it It's twisted, messed up and the more I think about it
It's crazy but so what? I may never understand it
I'm caught up and I'm hangin on
I wanna love you even if it's wrong Even if it's twisted, even if it's just a little bit
Just a little bit, just a little twisted, yeah
It's twisted, yeah
