

Mr. Brightside (The Voice Performance)

James Wolpert

I'm coming out of my cage
And I've been doing just fine
Gotta gotta be down
Because I want it allIt started out with a kiss
How did it end up like this?
It was only a kiss
It was only a kissNow I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking a dragNow they're going to bed
And my stomach is sick
And it's all in my head
But she's touching his chest now
He takes off her dress now
Let me goAnd I just can't look its killing me
And taking controlJealousy, turning saints into the sea
Swimming through sick lullabies
Choking on your alibisBut it's just the price I pay
Destiny is calling me
Open up my eager eyes
'Cause I'm Mr BrightsideI'm coming out of my cage
And I've been doing just fine
Gotta gotta be down
Because I want it all
It started out with a kiss
How did it end up like this?
It was only a kiss
It was only a kissNow I'm falling asleep
And she's calling a cab
While he's having a smoke
And she's taking a dragNow they're going to bed
And my stomach is sick
And it's all in my headBut she's touching his chest now
He takes off her dress now
Let me goCause I just can't look its killing me
And taking controlJealousy, turning saints into the sea
Swimming through sick lullabies
Choking on your alibisBut it's just the price I pay
Destiny is calling me

Open up my eager eyes
'Cause I'm Mr Brightside
I never
I never
I never
