

Stand By Your Side

Shayne Ward

This.
One.
Is for you.
This.
One.
Is for you. Girl when I close my eyes
I realize
I don't know what I'd do without your loving
And I can't hold it any longer Now I see you and me
All the way
And to prove it I will make a promise
That I will never leave you lonely And if you fall
I will stand by your side
When you got no where to run
Baby I'm a place to hide
One for my lover,
One for my sister,
One for my brother
Soon you'll discover its true
This ones for you There comes a time in your life
When you must
Take a long hard look into the mirror
You see its so much clearer And if you fall
I will stand by your side
When you got no where to run
Baby I'm a place to hide
One for my lover,
One for my sister,
One for my brother
Soon you'll discover its true
This ones for you I ain't gonna give you up
Gonna give you all my love
Even if it all falls down
Baby I'm still around
Baby I'm still around And if you fall
I will stand by your side
When you got no where to run
Baby I'm a place to hide
One for my lover,

One for my sister,
One for my brother
Soon you'll discover its true
This ones for you
