Parasite (Repossession)

Shiv-R

It won't release me
It won't stop
It won't sleep
It's underneath my skin
Inside my heart

It takes away my pain
I won't fall
I won't break
Something to keep me
From falling apart

ParasiteÂ
Holding Me tightÂ
SymbiontÂ
Keeps me aliveÂ
CentralisedÂ
Always inside
Never tire
Keeping me high

It won't release me
It won't stop
It won't sleep
It's underneath my skin
Inside my heart

It takes away my pain
I won't fall
I won't break
Something to keep me
From falling apart

ParasiteÂ
Holding Me tightÂ
SymbiontÂ
Keeps me aliveÂ
CentralisedÂ
Always inside
Never tire

Keeping me high

Keeping me high
Keeping me high
Keeping me high
