

I've Got To See You Again

Norah Jones

Lines on your face
Don't bother me
Down in my chair
When you dance over me I can't help myself
I've got to see you again Late in the night
When I'm all alone
And I look at the clock
And I know you're not home I can't help myself
I've got to see you again I could almost go there
Just to watch you be seen
I could almost go there
Just to live in a dream But no, I won't go
For any of those things
To not touch your skin
Is not why I sing I can't help myself
I've got to see you again I could almost go there
Just to watch you be seen
I could almost go there
Just to live in a dream No, I won't go
To share you with them
But oh, even though
I know where you've been I can't help myself
I've got to see you again Oh, I can't help myself
I've got to see you again
