

# The Start of Something

## Action Item

We're waiting on a sign  
Something to wake me from this daydream  
We all know what it's like  
When your hopes are on hold, there's no where to go  
We're finally breaking free  
I think it's time for us to leave  
Our old life is a memory tonight  
Oh oh oh oh  
This is the start of something  
Oh oh oh oh  
Bigger than ever before  
Oh oh oh oh  
We're all born fire-starters  
Oh oh oh oh  
This is the start of something  
When you're at the end  
It's a new beginning, the world's still spinning  
I know that we can  
Be the spark when it all goes dark, cause  
We're finally breaking through  
I think it's cause I'm next to you  
Out with the old, in with the new tonight  
Oh oh oh oh  
This is the start of something  
Oh oh oh oh  
Bigger than ever before  
Oh oh oh oh  
We're all born fire-starters  
Oh oh oh oh  
This is the start of something  
We're finally breaking free  
I think it's time for us to leave  
Our old life is a memory tonight  
Oh oh oh oh  
This is the start of something  
Oh oh oh oh  
Bigger than ever before  
Oh oh oh oh  
We're all born fire-starters  
Oh oh oh oh  
This is the start of something
