

Love, What You Doing? (Anoraak Remix)

We Have Band

This, this is part of the question
 Minor indiscretion
 Babycake's got shakes
This, this is part of the question
 Minor indiscretion
 Babycake's got shakes
And we've all got problems love
 Love, what you doing?
You're wild at heart and proven
 A jumping jack to rhythm
 To rhythm
 She can stay alive
This, this is my confession
 Minor indiscretion
 Babycake's mistake
 Now she's lost and lonely
 Love, love what you doing?
A heart that hearts is soothing
 A jumping jack to rhythm
 To rhythm
Is this, is this what you're asking for?
 Now that you're leaving me
 Me and you are not done
 Look for some answers
 Feel, feel it still breathing
 Love, love what you doing?
Me, me and you are not done
 Me and you are not done
 But she can stay alive
This, this my suggestion
 Minor indiscretion
 Babycake's too late
 And the photo albums done
Is this, is this what you're asking for?
 Now that you're leaving me
 Me and you are not done
 Look for some answers
 Feel, feel it still breathing
 Love, love what you doing?

Me, me and you are not done
Me and you are not done
