Wonderdrug

The Vera Violets

(Ahh ahh ahh)Be my lover, be my baby, be my wonderdrug
Be my flower, weeping silver tears on a rusted heart
Don't say a word, just let me kiss it all away
No more sorrow, no more sadness, no more
Umm, yeahBe my lover, baby you just got to want me
I don't know, can't think, not even breathing
Be my blood stained suit of armor, be my everything
Don't say you love me 'coz I don't care
I love you more than you will ever know
No more worry, no more trouble, no more sadness
An' no more sorrowOh my heart shines when you kiss my mouth
What a sweet surprise!
And I stop cold when you're in the room
And you look my way
Say my name
Say my name
(Name, name, name)
Ooh ooo yeah yeah, aaha
Ooh ooo yeah yeahBe my lover, be my, be my baby
Be my wonderdrug, my wonderdrug
My wonderdrug, be my, be my babyBe my lover
Be my wonderdrug
Be my lover
Be my wonderdrug
