Crossroads

Nicky Romero

All these reparations
We're swearing that we're all brand new
Get stuck in turbulations
Where the turbulence would stick with you
Then I swear, I swear, I swear
I swore you're no good for me, baby
Baby, point of no return, and we're here
Starring at the crossroadsFirst kiss that was it
Second time, I'm needing it
Now we ain't got to close off
Someone set the lights off
All that we found on the ground
Turns that we're falling out
I think this love is finally going off
I don't wanna say goodbye
But I'm not coming home tonight
Oh, I'm not coming home tonightEmpty conversations
I hate it when we act that way
This basic information
Like it was never you and meFirst kiss that was it
Second time, I'm needing it
Now we ain't got to close off
Someone set the lights off
All that we found on the ground
Turns that we're falling out
I think this love is finally going off
I don't wanna say goodbye
But I'm not coming home tonight
Oh, I'm not coming home tonight
I don't wanna say goodbye
But I'm not coming home tonight
Oh, I'm not coming home tonight
