

I Think I Can Fly (feat. Snoop Dogg)

Young Dolph

[Chorus]

Lets get high (Lets get high)
Lets get high (Lets get high)
I hit the blunt and I believe that I can Fly (yeah yeah)
Lets get high (Lets get high)
Lets get high (yeah yeah)
I mixed the lemon tree with the cherry pie (nigga what?)
I put codeine in a cherry sprite
She wanna get high and spend the night
Cartiers on you can't see my eyes
Lets get high (Lets get high)
Lets get high (Lets get high)

[Verse 1]

You smoking this you's a motherfucking lie
Everyday I got to smoke one ounce of fire (ounce of fire)
Everyday I miss something fast when I ride
Let her hit my blunt she got emotional and she cried
All my niggas lie (lie)
Police call we don't know shit we just be quiet
Come catch me outside
Foreign when I slide
Big cake on my mind
Big cake all the time
If I'm in a car, or some pussy that its mine
She bad she short and thick
Spent a bag on my neck and wrist
I gotta take a piss

[?]

Riding around with a stick
Riding around with your bitch
4 in the morning she lit

[Chorus]

Lets get high (Lets get high)
Lets get high (Lets get high)
I hit the blunt and I believe that I can Fly (yeah yeah)
Lets get high (Lets get high)
Lets get high (yeah yeah)
I mixed the lemon tree with the cherry pie (nigga what?)
I put codeine in a cherry sprite

She wanna get high and spend the night
Cartiers on you can't see my eyes
Lets get high (Lets get high)
Lets get high (Lets get high)[Verse 2: Snoop Dogg]
You wanna blow with the big dog?
You better be [?]
Concentrates for heavy weights
Nigga don't be skizzy
You say you wanna go but you really don't know [?]
Hip hop up on my [?]
[?]
Sunny [?]
Matching [?] so you see what I'm [?]
Laying out them bubble gum cans
When it comes to this shit I'm the man
I supply the Key's, P's, O's. Half's, whole trees
Just place your order that the desk (desk desk desk desk)
And tell them you want the best (best)
Young Dolph, Snoop Dogg yeah we in there
Your backwood, is that good, then put it [?][Chorus]
Lets get high (Lets get high)
Lets get high (Lets get high)
I hit the blunt and I believe that I can Fly (yeah yeah)
Lets get high (Lets get high)
Lets get high (yeah yeah)
I mixed the lemon tree with the cherry pie (nigga what?)
I put codeine in a cherry sprite
She wanna get high and spend the night
Cartiers on you can't see my eyes
Lets get high (Lets get high)
Lets get high (Lets get high)[Bridge: Snoop Dogg]
Hey Dolph, let's roll my nigga
[?][Beat Change][Verse 3]
Guess who crashed the party
Smoking on some smarties
I look to my left and theres 3 bitches taking molly
They ask me if i'm scared to OD on syrup I say probably
Got so high fucked a cougar bitch cause she had a body
Got so high called a flight left it and got my rarri
She got [?] and rode me like kawasaki
I'm in hollywood [?] ordering beef and broccoli
The hustlers say I motivate
The haters say I'm too cocky
Diamonds [?]
Gucci button up

[?]

[?]

Pour that codeine up watch it bubble up
4 grams of that lemon, roll the blunt[Outro]

Lets get high (Lets get high)

Lets get high (Lets get high)

I hit the blunt and I believe that I can Fly (yeah yeah)

Lets get high (Lets get high)

Lets get high (yeah yeah)
