## Pac Div

Put some rozey in my cup  
And put Scoop on that beat

And we roll up 4-5 deep  
We up early in the morning

It's my time that's beast mode  
That's red bow, that's Debo That's MJ with a fade away

Fuck me you gon' fuck the team  
Low pimp game never played today  
Shit highschool ride that tape bouffet

Patch hoes like Hasselhoff  
Up in the morning I'm smashing off  
Beastmode might smoke till my stash is gone  
I be goddamned if a nigga ever tried to take my bitch  
Cause I'mma be goddamned if I gotta drive out and dig a ditch  
And I be goddamned if one of his homeboys go snitch  
Cause I'mma be goddamned if I gotta drive out and dig a ditch  
That's grind time, that's beast mode

Don't nobody want it, put a thousand on it

Niggas talk alot don't read enough  
I got a couple questions that I will ask you  
How your swag futuristic but your bills past due  
Boy I'm in grinding gimme mine  
Zoom a patch like the Emmy 5  
Bisniss time, I'm worried about me

Whether pimpin hoes or flipping ozies  
It's really ain't no difference homie  
We all got dreams of coups  
But please don't pigeon homie
