

# A Head Full of Dreams

## Coldplay

Oh, I think I've landed  
In a world I hadn't seen  
When I'm feeling ordinary  
When I don't know what I mean Oh, I think I've landed  
Where there are miracles at work  
For the thirst and for the hunger  
Come the conference of birds And say it's true  
It's not what it seems  
Leave your broken windows open  
And in the light just streams And you get a head  
A head full of dreams  
You can see the change you want to  
Be what you want to be When you get a head  
A head full of dreams  
It's a love, I've just been spoken  
With a head full, a head full of dreams Oh, I think I've landed  
Where there are miracles at work  
There you've got me open handed  
When you got a lost of words I sing, oh  
Oh  
Oh  
Oh  
Oh  
Oh  
A head full of dreams  
Oh  
Oh  
Oh  
A head full of dreams  
Oh  
It's a love, I've just been spoken  
With a head full, a head full of dreams
