Battle Symphony (One More Light Live)

LINKIN PARK

I got a long way to go
And a long memory
I been searching for an answer
Always just out of reachBlood on the floor
Sirens repeat
I been searching for the courage
To face my enemies
When they turn down the lightsI hear my battle symphony
All the world in front of me
If my armor breaks
I'll fuse it back together
Battle symphony
Please just don't give up on me
And my eyes are wide awake
For my battle symphony
For my battle symphonyThey say that I don't belong
Say that I should retreat
That I'm marching to the rhythm
Of a lonesome defeat
But the sound of your voice
Puts the pain in reverse
No surrender, no illusions
And for better or worse
When they turn down the lightsI hear my battle symphony
All the world in front of me
If my armor breaks
I'll fuse it back together
Battle symphony
Please just don't give up on me
And my eyes are wide awake
If I fall, get knocked down
Pick myself up off the ground
If I fall, get knocked down
Pick myself up off the groundWhen they turn down the lightsI hear my battle symphony
All the world in front of me
If my armor breaks
I'll fuse it back together
Battle symphony
Please just don't give up on me

And my eyes are wide awakeFor my battle symphony
For my battle symphony
