

# Just Recently Lost Something Of Importance

## Of Montreal

Someone's in love with someone  
Who doesn't love them back  
Their body's like a hollow room  
They carry around an empty feeling  
Wherever they go, wherever they go  
When one is crying over someone  
Who doesn't even care  
Their body's like an empty tomb  
They carry around a desperate feeling  
Where ever they go, wherever they go  
They're in a hollow room, a hollow room  
All the devils in the world  
Couldn't think up a more painful thing  
Than to be in love  
With someone who doesn't love you back
