Man Of The Year

Gucci Mane

[Chorus:]Hood dreams I got all year
Feeling like the new king of the throne here
Got enough chains on for every hoe in here
Lets give a hand for Gucci Mane man of the year
Man of the year

Lets give a hand for Gucci Mane man of the year
Man of the year

I'm Gucci Mane what you mean money ain't a thing to me
Pull up in that new saline
Smoking green my lifes a dream
My goons with me get a room with me
These niggas cant stand in a room with me
So many car its confusing me
Cant keep a girl girls keep choosing me
I dun OD on jewelry
Fuck low key I'm a OG
So I stand out
Like a black man in a white house I'm too street
With my shirt off
Like a white man get a sun tan on South Beach
Cant out me
No doubt we the kings of the jungle of concrete
And to sell a million of it in 1 week
Still keep the AK on the front seat
I'm cocky don't knock me
I need brakes so you hatas cant stop me
[Chorus:]Hood dreams I got all year
Feeling like the new king of the throne here
Got enough chains on for every hoe in here
Lets give a hand for Gucci Mane man of the year
Man of the year

Lets give a hand for Gucci Mane man of the year
Man of the year

Lets give a hand for Gucci Mane man of the year
I'm kill in it dialysis
Keep a shooter close by for incident
No coincidence
If you get your head knocked off instantly
Its eminent
I do it like I invented it
You idiot
Illiterate
Illegitimate
I'm sick man ain't no benefits
I started it cant finish dis
I cashed it out you rented it
I swagged it out then passed it out
You cuffed it all you stingy bitch
With some dusty jeans on and dingy kicks
Talking cash shit ain't making sense
Cause ya ??
Ain't making moves
Wanna put on on and cant fit the shoes
I'm too much my future price is too much
I done blowed up
Every time that I roll up
Them hoes be like HOLD Uuuup
[Chorus:]Hood dreams I got all year
Feeling like the new king of the throne here
Got enough chains on for every hoe in here
Lets give a hand for Gucci Mane man of the year
Man of the year
Man man of the year
Lets give a hand for Gucci Mane man of the year
Man of the year
Man man of the year
Lets give a hand for Gucci Mane man of the year
