My Desire

Veronica Gyimah

lord we need your power to move on
each and every day.
my soul desire is to be used by you each and every day
lord we need your awesome power to move on each and every day.
we've come to realized, we've seen how weak we are
lord do not take away the holy spirit
spirit i need you, never never let me go--go on my own
I can't make it on my own.
so lord give me the streanght to move on each and every day
as I live for you with all my heart.
let me not implore in vain
let me not be put to shame
for on you I do rely
on you i gain my strenght
lord my desire is to be used by you and for the whole world to know how great you are.
lord I want the whole world know how great you are.

lord give me the power
pour out your annointing on me
let me see you
let me know you
let my life glorify your name
and even as I,as I live, i live for you with all my heart
let me not implore in vain
streanghten me.

lord i want the whole world to know how great you are.
my soul desire is to be use, be used by you.
oh-oh, lord i want the whole wide world to know how great you are.
every step I make, every step i make
,every move I make, make it in you.

lord I want the whole world to know how grat you are.
