The Deepest Gray

All That Remains

Could blood not be so sweet or flow enough to sustain
Two hundred nine tomorrow's rise and I'm alone again
Please not this way so sweet on my tounge it burns away
An empty promise fills my veins with liesThe deepest gray forever lives inside of me
(The deepest gray)
But I am not afraid for I have lived this agony
(I am not afraid)And time ticks slowly forward towards the break of day
Five seven nine arrival less fuel for disarray
But be still my tounge for I know not what I say
My life is lived in darkness and here I'll remainThe deepest gray forever lives inside of me
(The deepest gray)
But I am not afraid for I have lived this agony
(I am not afraid)The deepest gray forever lives inside of me
(The deepest gray)
But I am not afraid [Incomprehensible]
(I am not afraid)[Incomprehensible]And so the night wears on, and so my patience thins
I now walk through this fire to purify the sins
And so the night wears on, and so my patience thins
To my eyes dawn in horror 'cause I'm alone againThe deepest gray forever lives inside of me
(The deepest gray)
But I am not afraid for I have lived this agony
(I am not afraid)The deepest gray forever lives inside of me
(The deepest gray)
But I am not afraid [Incomprehensible]
(I am not afraid)The deepest gray forever lives inside of me
(The deepest gray)
But I am not afraid, I am not afraid
(I am not afraid)
