The Seeds You Sow

Prides

Oh well there was a time,
When I was caught up in you,
It was a question of time,
I was hooked on the line,
But I was dragging you too,
All I wanted was mine,I know if I was to do it again,
Well I wouldn't believe that I was harming you,
But I really should go,
I should just leave you alone,
I should just leave you alone,
These are the seeds you sow,
These are the seeds you sow,Oh well it seems like the clocks,
They don't know where to stop,
It's just a matter of time,
I wasn't ready to choose,
No there is nothing for you,
All I wanted was mine,All I know is that if I was to do it again,
Well I wouldn't believe that I was harming you,
Well I really should go,
I should just leave you alone,
I should just leave you alone,
These are the seeds you sow,
These are the seeds you sow,I should just leave you alone,
I should just leave you alone,
These are the seeds you sow,And I watched your heart break,
And there is nothing above you,
And now that I am awake,
I would say anything,
Saying all those words they were never enough,
I would say anything,
Just to tell you I was in love,
Oh these are the seeds you sow.
These are the seeds you sow,I should just leave you alone,
I should just leave you alone,
These are the seeds you sow,Oh well there was a time,
When I was caught up in you.
