Escuchame

Palomo

You in the mirror I've been spying on you
I see a girl, whose world is broken in two
I get the picture hat you grew up too fast
You've got your dreams, it seems and more than you askedOoo, you're fading
Ooo, you're wearing thin
Ooo, you're breakingEscuchame, let me save you some pain
Escuchame, I will show you the way
Mirame, you will be me someday
Baby don't make the same mistakes, escuchameI've got a secret that'll carry you through
There is a God who loves to look after you
Hey little sister don't worry no more
Just come with me, you see I've been there beforeOoo, the heartbreaks
Ooo, the lessons learned
Ooo, I know what it takesEscuchame, let me save you some pain
Escuchame, I will show you the way
Mirame, you will be me someday
Baby don't make the same mistakesYeah, yeah, yeah, yeah
Oh yeah, mirame
Oh, baby don't make the same mistakes I madeWords of wisdom
Can you hear them?
Words of wisdom
Can you hear them?Escuchame, let me save you some pain
Escuchame, I will show you the way
Mirame, you will be me someday
Baby don't make the same mistakes, escuchameLet me save you some pain
I will show you the way
You will be me someday
Baby don't make the same mistakes that I made
Listen to me, I've done that before
Baby don't make the same mistakes
Oh, listen to me
