Tide

Refused

Chain down the pain
Abstinence remains to hold me down, in a tone of desperation
Its never gonna be the same, it might have been me
So caught up in ego supremacy
Cut lose the wires of connection, put it to an end
Reach on to higher levels, if I could try and find a way
I will not be pushed aside
Where there's darkness there's light, and I thirst for more right now
I'm looking for redemption, and the truth inside these walls
What's left in the distance, but my thoughts of fire?
My spiritual edge of guidance, will lead the way
I will not be pushed aside
The tide is coming in and I won't loose my ground
