

# Shooting Star

## Owl City

[VERSE 1]Close your tired eyes

Relax and then

Count from one to ten

and open them

All these heavy thoughts will try to weigh you down

But not this time

Way up in the air

You're finally free

And you can stay up there

Right next to me

All this gravity will try to pull you down,

But not this time

[CHORUS]When the sun goes down and the lights burn out

Then it's time for you to shine

Brighter than a shooting star

So shine no matter where you are

Fill the darkest night with a brilliant light

'Cause its time for you to shine

Brighter than a shooting star

So shine no matter where you are... tonight

Woah, Woah, Woah

Brighter than a shooting star

Shine no matter where you are... tonight

[VERSE 2]Gaze into my eyes when the fire starts

And fan the flame so hot it melts our hearts

Oh, the pouring rain will try to put it out,

But not this time

Let your colors burn and brightly burst

Into a million sparks that all disperse

And illuminate a world that will try to bring you down,

but not this time

[CHORUS]When the sun goes down and the lights burn out

Then it's time for you to shine

Brighter than a shooting star

So shine no matter where you are

Fill the darkest night with a brilliant light

'Cause its time for you to shine

Brighter than a shooting star

So shine no matter where you are... tonight  
Woah, Woah, Woah  
Brighter than a shooting star  
Shine no matter where you are... tonight  
[BRIDGE]A thousand heartbeats beat in time  
And makes this dark planet come alive  
So when the lights flicker out tonight  
You gotta shine  
[CHORUS]When the sun goes down and the lights burn out  
Then it's time for you to shine  
Brighter than a shooting star  
So shine no matter where you are  
Fill the darkest night with a brilliant light  
'Cause its time for you to shine  
Brighter than a shooting star  
So shine no matter where you are... tonight  
Woah, Woah, Woah  
Brighter than a shooting star  
Shine no matter where you are... tonight
