

# Dance In The Boat

## The Kinleys

Bobby stops off at the bar  
Showin' off his brand new car  
Got the top laid down  
He buys a round for all his friends  
Daddy's money never ends  
It's his job to spread it around  
Now I've known Bobby all my life  
And I know he ain't Mr. Right  
But he ain't all wrong  
He's just goin' nowhere fast  
And every now and then he asks  
If I'd like to ride along  
I know a good time when I see one  
And when I'm in the mood I can even be one  
I can lead the parade or I can stop it  
Sometimes I dance in the boat just to rock it  
Guys are sometimes wild as weeds  
Other girls get allergies  
Every time they bloom  
Me, I like a big bouquet  
Variety's the spice they say  
Exitement's a sweet perfume  
I know a good time when I see one  
And when I'm in the mood I can even be one  
I can lead the parade or I can stop it  
Sometimes I dance in the boat just to rock it  
I know a good time when I see one  
And when I'm in the mood I can even be one  
I can lead the parade or I can stop it  
Sometimes I dance in the boat just to rock it
