

A Thousand Years

Elliot Matsu

You're in my heart, wherever you may be
And you're in my heart, whatever they may say
The wind has brought you here under the stars tonight
And I won't let you go til I see the morning light
Baby, am I crazy, are you feeling like I do?
cause I could spend a thousand years lost inside of you
Hold my hand through the sorrow
Hold my hand through the pain
Hold my hand through the uncertainty
Of what tomorrow gonna bring
Yeah, they tryin' to beat us down
They tryin' to shut us out
But we got somethin' that they'll never have
We got no more doubt
Baby, am I crazy, are you feeling like I do?
cause I could spend a thousand years lost inside of you
Lyin' here under the floodlights
Lyin' here with you
Ain't no place that I'd rather be
And this is something new this is something new
And Baby, it's getting cold outside
And if it make no difference to you
Then I'd like to spend a thousand years
Just us two just us two
