

# 7 Lonely Nights

**Chris Isaak**

Seven lonely days without a word.  
Did I do something somehow that you heard?  
Well I'll be fine  
You're not even on my mind.  
Believe me, I'll be fine. Seven lonely nights without a friend.  
Something tells me this might be the end.  
Well I'll be fine  
You're not even on my mind.  
Believe me, I'll be fine. I'll be fine  
You're not even on my mind.  
Believe me, I'll be fine.  
Believe me, I'll be fine.
