

# Like We Used To

## A Rocket to the Moon

I can feel her breath as she's sleeping next to me  
Sharing pillows and cold feet  
She can feel my heart, fell asleep to its beat  
Under blankets and warm sheets If only I could be in that bed again  
If only it were me instead of him Does he watch your favorite movies?  
Does he hold you when you cry?  
Does he let you tell him all your favorite parts?  
When you've seen it a million times Does he sing to all your music  
While you dance to "Purple Rain"?  
Does he do all these things  
Like I used to? 14 months and 7 days ago  
Oh, I know you know how we felt about that night  
Just your skin against the window  
But we took it slow and we both know It shoulda been me inside that car  
It should have been me instead of him in the dark Does he watch your favorite movies?  
Does he hold you when you cry?  
Does he let you tell him all your favorite parts  
When you've seen it a million times? Does he sing to all your music  
While you dance to 'Purple Rain'?  
Does he do all these things  
Like I used to? I know, love  
(Well, I'm a sucker for that feeling)  
Happens all the time, love  
(I always end up feeling cheated)  
You're on my mind, love  
(Oh sorta let her when I need it)  
That happens all the time, love, yeah Will he love you like I loved you?  
Will he tell you everyday?  
Will he make you feel like you're invincible  
With every word he'll say? Can you promise me if this one's right  
Don't throw it all away Can you do all these things?  
Will you do all these things  
Like we used to?  
Oh, like we used to
