

# Runaway (Junior's Unplugged Mix)

Janet Jackson

Here we go

I've seen the world, been to many places  
Made lots of friends, many different races  
I've had such fun around the world it's true  
African skies with Nairobi mood

I fell asleep in Tuscany and dreamed  
The one thing missing was you

Runaway with me and my love  
Yeah, yeah, yeah, yeah  
Runaway with me and my love  
Yeah, yeah, yeah, yeah

I woke up with an Australian breeze  
And danced the dance with Aborigines  
Oh, under the moon glow, down in Mexico  
I dreamed, one thing was missing that's you

Runaway with me and my love  
Yeah, yeah, yeah, yeah  
Runaway with me and my love  
Yeah, yeah, yeah, yeah

We'll sail the water of many colors  
Won't need no compass, love will guide our way  
Don't need nobody, long as we got each other  
No need to hurry, we've got everyday

I want to share the world with you, you see  
Springtime in Paris was so good to me  
Oh, this is for me and reality, so please  
Make all my wishes come true

Runaway with me and my love  
Yeah, yeah, yeah, yeah  
And I just know we'll have a good time, yeah  
And I just know we'll have a good time, yeah

Oh, please come with me  
And I just know we'll have a good time  
It'll be fun walking in the rain in Spain

And I just know we'll have a good time  
Oh, didn't quite hit the note  
That wasn't such a good time

And I just know we'll have a good time, yeah  
Don't you think so? I do  
And I just know we'll have a good time, yeah
