

# I've Been Waiting For You

## Pixies

I've been looking  
For a woman  
To save my life  
Not to beg, or to borrow  
A woman  
With the feeling  
Of losing once or twice  
Who knows how it could be tomorrow?  
I've been waiting for you  
And you've been coming for me

For such a long time now  
Such a long time now  
A woman  
With the feeling  
Of losing once or twice  
Who knows how it could be tomorrow?  
I've been waiting for you  
And you've been coming for me  
For such a long time now  
Such a long time now
