

# Higher than the Sun

Keane

Turn, turn up the song  
Takes me higher than the sun  
Sing, sing from your gut  
Sing until we become one Hold, hold on to me  
Stay with me until it's time  
'Cause for tonight  
Feels like everything could turn out fine We're higher than the sun  
And nothing's gonna change the way I'm feeling now  
May you go on and on  
It's never gonna fade the way I'm feeling Sounds, sounds like a storm  
Rages in the shaken air  
Oh, whispers low  
Like a friend you never knew was there We're higher than the sun  
And nothing's gonna change the way I'm feeling now  
May you go on and on  
It's never gonna fade the way I'm feeling now There's a song to ease your fear  
A song to take you far from here  
One for joy, one for desire, one for despair  
Yeah We're higher than the sun  
And nothing's gonna change the way I'm feeling now  
May you go on and on  
It's never gonna fade the way I'm feeling Oh oh oh oh oh  
Oh oh oh oh oh  
Oh oh oh oh oh  
Oh oh oh oh oh  
Oh oh oh oh oh  
Oh oh oh oh oh
