

If You Gotta Go, Go Now

Cowboy Junkies

Listen to me baby, there's something that you must see
I want to be with you, babe, if you want to be with me
But if you gotta go, it's all right
But if you gotta go, go now, or else, you got to stay all night
It's not that I am asking you to take part in any kind of quest
It's just that I ain't got no watch and you keep asking me what time it is
But if you gotta go, it's all right
But if you gotta go, go now, or else, you got to stay all night
I am just a poor girl trying to connect
I certainly don't want you thinking that I ain't got any respect
But if you gotta go, it's all right
But if you gotta go, go now, or else' you got to stay all night
It ain't that I am wanting anything that you never gave before
It's just that I'll be sleeping and it will be too dark for you to find the door
But if you gotta go, it's all right
But if you gotta go, go now, or else, you got to stay all night
