

# Glitter

Isac Elliot

Woah So beautiful  
Got me wrapped around her finger  
(oh oh oh oh oh)  
She's mystical  
She's the magic I'm the wizard She's so sweet  
I must be dreaming  
It's unreal the way she's glowing  
Don't you know  
Baby you're a stunner It's amazing how you  
Glitter glitter glitter  
so bright  
Just like in a movie  
What you doing to me?  
Girl, you glitter glitter glitter  
Alright  
And when you're smiling  
My heart is dancing  
Oh  
Woah Oh Woah Oh (glitter)  
Woah Oh Woah Oh So natural  
You don't need no makeup  
(oh oh oh oh oh)  
It's incredible  
You're so good you could be made up  
(oh oh oh oh oh) She's so sweet  
I must be dreaming  
Oh my god  
I think I'm dying  
Don't you know  
Baby you're a stunner  
(oh oh oh oh oh) It's amazing how you  
Glitter glitter glitter  
so bright  
Just like in a movie  
What you doing to me?  
Girl, you glitter glitter glitter  
Alright  
And when you're smiling  
My heart is dancing

Oh  
Woah Oh Woah Oh (glitter)  
Woah Oh Woah Oh (glitter)  
Woah Oh Woah Oh (glitter) I'll buy you shining pearl  
You're my diamond girl  
I'll fight for you till I fall  
And when you're walking in  
Yeah you're sparkling  
Just like a discoball It's amazing how you  
Glitter glitter glitter  
so bright  
Just like in a movie  
What you doing to me? Glitter glitter glitter  
Alright  
And when you're smiling  
My heart is dancing  
Oh  
How you glitter glitter glitter  
So bright  
Just like in a movie  
What you doing to me?  
Glitter glitter glitter  
Alright  
And when you're smiling  
My heart is dancing  
Woah oh woah oh (glitter)  
Woah oh woah oh (glitter)  
Woah oh woah oh (glitter)  
Woah oh woah oh (glitter)
