

All the Love In the World (Pop Remix)

The Corrs

I'm not lookin' for someone to talk to
I've got my friends, I'm more than okay
I've got more than a girl could wish for
I live my dreams but it's not all they say Still I believe, I'm missin' somethin' real
I need someone who really sees me Don't wanna wake up alone anymore
Still believin' you'll walk through my door
All I need is to know it's for sure
Then I'll give all the love in the world I've often wondered if love's an illusion
Just to get you through the loneliest days
I can't criticize it, I had no hesitation
My imagination just stole me away Still I believe
I'm missin' somethin' real
I need someone who really sees me Don't wanna wake up alone anymore
Still believin' you'll walk through my door
All I need is to know it's for sure
Then I'll give all the love in the world Love's for a lifetime not for a moment
So how could I throw it away
Yeah, I'm only human
And nights grow colder
With no one to love me that way Yeah, I need someone who really sees me And I won't wake up alone anymore
Still believin' you'll walk through my door
You'll reach for me and I'll know it's for sure
Then I'll give all the love in the world Don't wanna wake up alone anymore
All alone
Don't wanna wake up alone
Just reach for me
Don't wanna wake up alone
'Cause I don't wanna be alone
Don't wanna wake up alone
Don't wanna wake up alone
Don't wanna wake up alone
Wanna know it's sure
Don't wanna wake up alone
I still believe in someone
Don't wanna wake up alone
When you reach for me
