Wake Me

Grey Daze

Should I have a taste of this
Run across your lips
And start all over again
Could this all just be a dreamIf I should fall to stormy weather
Wake me, Wake me
YeahMaybe this time I can do it all right
Without my foot in my mouth
Without that blind in my sight
Could this all just be a dreamIf I should fall to stormy weather
Wake me, Wake me
YeahIf I should fall to stormy weather
Wake me, wake me, me
Yeah
YeahYommmmmmmm (x2)Too scared to lose the one
I tried so hard for
Too scared to lose the one
I never hadToo scared to lose the one
I tried so hard for
Too scared to lose the one
I never had, Yeah
