

The Best Thing

Corey Cyr

Save your sorry's for the road.
Take your excuses with you too.
You can save your time and breath,
But above all the rest,
Remember I'm the best thing to happen to you. Love is such a crazy thing.
Can turn any man green to blue.
But I've got to contain my pride,
Hide the emptiness inside,
Knowing I'm the best thing to happen to you. I'm not sure what really happened.
All I know is that we're through.
I don't know where we went wrong,
But I'll still be singing my song,
Knowing I'm the best thing to happen to you. So, save your sorry's for the road.
Take your excuses with you too.
You can save your time and breath,
But above all the rest,
Remember I'm the best thing to happen to you.
