The Final Shot

Acrania

Let my heart go and let me die
DonÃ¢t try to fill my emptiness
Deny our lives, just let me go
DonÃ¢t try to fill my emptinessDonÃ¢t try to fill my emptiness ---Solo: Luis Oropeza---Raised from the past I am the last in line
When my angels fall down
Hold on to my soul, vengeance will be mine
When my angels fall downBeware of my hate
Or kill me again and again...
---Solo: Nayelli Nava---And I stay here
With nothing to lose
And nothing to winAll I told you was what you wanted to hear
Everything I told you was what you wanted to hearI have a better sorrow now
One last shot and one remorse
It will be just an oblivion
And I'll fill my emptiness without youHate has gone, IÃ¢m ready for you
YouÃ¢ll suffer from now onDonÃ¢t take much time
There is no step behind
Her eyes will be in my mind
Till the end of my life
DonÃ¢t regret now
For the gun is in her mouth
Pull the trigger and say goodbye
For the final Shot!
