

Riot

Breathe Carolina

Let's start a riot tonight
Let's start a riot tonight There's something on with the night
Always searching, always searching
A constant battle inside
Always fighting, always fighting Tonight
I'm gonna paint the sky
Open my eyes
I'm gonna run Let's start a riot tonight
It ain't over 'til it's over
Let's start a riot tonight
It ain't over 'til it's over There's something holding the world
But I'm burning, are you burning?
Let's start a flame to ignite
Keep it burning, keep burning Tonight
We're gonna paint the sky
Open their eyes
We're gonna run Let's start a riot tonight
It ain't over 'til it's over
Let's start a riot tonight
It ain't over 'til it's over
What are you waiting for?
What are you waiting for?
What are you waiting for?
It's time to come alive They're taking control
But we're taking over
We're on a roll
I'm on my own (repeat 4x) Let's start a riot tonight Let's start a riot tonight
It ain't over 'til it's over
Let's start a riot tonight
It ain't over 'til it's over
What are you waiting for?
What are you waiting for?
What are you waiting for?
It's time to come alive
