

# Stretch

Tamela Mann

Iâ€™ve come to get my blessing  
Iâ€™ve gotta get my breakthrough  
The power of my praise  
Gives me strength so I can press through

So I gotta stretch  
Stretch forth, reaching for my blessing  
So I gotta press  
Press forth, reaching for my blessing

Gotta get my blessing  
{I believe heâ€™ll work a} miracle  
The power of my praise  
Give me strength so I can press on through

Chorus  
{So I gotta} Stretch  
Stretchin for it, reaching for my blessing  
Oh-Oh(after 1st & 3rd)

Itâ€™m still believing for my miracle my faith says  
Itâ€™s special itâ€™s marvelous and itâ€™s wonderful-wonderful

Reach for it (4x)  
The mark,the prize, the higher calling  
Move towards it(4x)  
The mark, the prize, the higher calling  
Stretch for it(4x)  
The mark, the prize, the higher calling  
Leap for it(4x)  
The mark, the prize, the higher calling  
Yes, gotta get my blessing(4x)  
The mark, the prize, the higher calling  
Itâ€™s mine, gotta get my blessing  
Yes, I gotta get my blessing
