

Hashishi

Kultur Shock

[there are two versions, English and Bosnian]Hashishi Hashisha mani me se Aleksa
Pije! pu! i! ha! i! pa meni pod prozor dolazi! Open that gate, 'cause I swear to Allah,
I shall break the studs and the bloody hinges,
So wait if my faith is infidel to yours,
Just put me out of misery, Emina,
hate me not, beseech you, 'cause for weeks I'm high,
Drinking with old bums, destroying my life,
'Till the early hours sitting in the bar,
Listening to the life of hamdu lillah saz.
Kapid! ik otvori, jer, moga mi dina,
Izvali! u direk i baglame tvrde,
Pa neka se na me svi alimi srde,
Jer za tobom, beli, umriješ, Emina! Il' si ljuta na me !to po heftu dana
U mehani sjedim, niti drugo marim
No razbijam derte s bekrijama starim
Uz udare sitne tankih terzijana? A ko ne bi pio?... Ko se jednom svrne
U tvoj sokak, pa ti vidi o! i crne,
Taj se mahnit vra! a domu i akrebi. I kadija, valah, bekrija bi bio!
Da te jednom vidi, bukarom bi pio
I nikad se vi! e avertio ne bi!...
S grana vjetar duhnu, pa niz pleci puste,
Rasplete joj one pletenice guste Vec u srebren ibrik zahvatila vode,
Pa po ba! ci dule zaljevati ode!
