

Too Much Ain't Enough

Tom Petty

Looks like you got a little more to lose
Now a little more at stake
I see you've had a hard time
Livin' with the change
You've got me up in line
Now tryin' to call your bluff
But you just won't be satisfied
Too much ain't enough
It ain't enough, it ain't enough You're standing by the telephone
Waitin' for the word
And ever since that bathroom scene
There's been a slight concern
I'm trying' to make this easy baby
You seem to like things rough
You just can't be satisfied
Too much ain't enough It ain't enough, it ain't enough.
Too much baby ain't enough no way
Too much baby ain't enough no way
Come on baby I'm down on my knees
Guess some little girls just can't be pleased Little miss queen of hearts you're a strange thing
Why you want to stay so vague
I'm wanderin' through this mess you made
To see what I can save
I'm livin' on the line now
Tryin' to call your bluff
But you just won't be satisfied
Too much ain't enough.
