

Hustler

Blackbear

I see you, girl
Turning everybody's head, you light up a room
I know, I know, I know
I know that I'm doomed
I see you out there getting money and it's all on your own
And that's why I respect you
Girl, you isn't a hoe
It's true, I adore you
I'ma bring it home
Even though I know that you could get it on your own
Show you how a real one treat a lady, I suppose
It's getting late and I just wanna take you home
You know that I'm a hustler, hustler
You know I'ma hustle for, for you
You know I'ma get this dough, bring it home
Baby I'm a hustler
I'm a hustler, hustler
You know I'ma hustle for, for you
You know I'ma get this work, make it work
Baby I'm a hustlerHustler, hustler
You know I'm a hustler, hustler
You know I'm a hustlerI got you, girl
I've been on the come up, girl let's take a vacay
I wanna go, further than away
I wanna go, further than the States
I got you, girl
I wanna dress you up in Rick and Ralph
And spend my whole check on your bag, so they know
So they know, so they know, so they know
They know that I'm a hustler, hustler
You know I'ma hustle for, for us
I'ma get this dough, bring it home
Girl you know I'm a hustler
I'm a hustler, hustler
You know I'ma hustle for, for you
You know I'ma get this work, make it work
Baby I'm a hustlerHustler, hustler
You know I'm a hustler, hustler
You know I'm a hustler
