

Kids (Radio Edit)

Robbie Williams & Kylie Minogue

Me no bubbletious
Me smoke heavy tar
Me be grooving slowly where you are
Notify your next of kin 'cause you're never coming back
I've been dropping beats since back in black And we'll paint by numbers
'Til something sticks
I don't mind doin' it for the kids
So come on Jump on board, take a ride, yeah
Jump on board, feel the high
'Cause the kids are alright
You've got a reputation
Well, I guess that can be explored
You're dancing with the chairman of the board
Take a ride on my twelve cylinder symphony, but if you got other plans
The purpose of a woman is to love her man And we'll paint by numbers
'Til something sticks
I don't mind doing it for the kids
So come on Jump on board, take a ride, yeah
Jump on board, feel the high
'Cause the kids are alright I'm gonna give it all of my lovin', it's gonna take up all of my love
I'm gonna give it all of my lovin', it's gonna take up all of my love
I'm gonna give it all of my lovin', it's gonna take up all of my love
I'm gonna give it all of my lovin', it's gonna take up all of my love
Come down from the ceilin'
I didn't mean to get so high
I couldn't do what I wanted to do
When my lips were dry
You can't just stop and leave me
I'm a singer in a band
Well, I like drummers baby
You're not my bag Jump on board, take a ride, yeah
Jump on board feel the high, yeah Jump on board, take a ride, yeah
Jump on board, feel the high, yeah
