

Watching You Without Me

Kate Bush

You can't hear me
You can't hear me
You can't hear what I'm saying
You can't hear what I'm saying to you.
You watch the clock
Move the slow hand
I should have been home
Hours ago - but I'm not here,
but I'm not here,
You can't hear me
You can't hear me
You can't feel me
Here in the room with you now,
You can't hear what I am saying,
You don't hear what I am saying do you.
Can't let you know
What's been happening
There's a ghost in our home
Just watching you without me
I'm not here, but I'm not here, but I'm not here.
You can't hear me, you can't hear what I'm saying
You didn't hear me come in
You won't hear me leaving.
