

# The Ibex Moon

## Incantation

Enveloped by somber twilight  
Upon the ibex gaze  
A vast orgy of profane bliss  
A salacious burden into utter paradise  
Obliteration of adoration  
Indulgence is eternal under the ibex moon...  
Massacration of holy lamb  
Sacrilegious dominace  
Fornicate into oblivion  
Persuade angels to the abyss!
